Policy and Procedure Acknowledgement

I acknowledge that I have received a copy of the Giant Step Handbook (August 2018).

I have read the handbook and understand the policies, procedures, and information in this Handbook.

I understand that my child's up to date immunization record and medical health statement must be turned in at time of registration. I also understand that I must keep this record updated as my child receives new immunization shots. No immunization record -no attendance!

I will comply with all policies and procedures as a condition of my child/children attending Giant Step.

I understand that if I have questions or concerns at any time about the policies and procedures in this Handbook, I will share my concern in a confidential manner with the director.

Should I need to move forward with my concern, I will contact the Giant Step Board president.

I understand that if I do not comply with these policies and procedures, my child/children will be dismissed from Giant Step.
